The two-days-program would be conducted in Tamil covering sugarcane varieties, crop production and protection technologies. The participants for this course would be field level functionaries from Sugar Mills of Tamil Nadu. The course aims at upgrading the knowledge and skill of the participants for effective implementation and management of sugarcane development activities among farmers.

We intend to allot two seats for your organization for each course. Kindly send us the nominations (in the proforma enclosed) indicating their names, addresses and contact numbers, on or before 23.12.2019. Acceptance of nomination for the course will be done on ‘first come - first served’ basis. The nominated-officers are requested to proceed for training after getting the confirmation from us. You may kindly indicate your nominations for each course separately.

Board and lodging during the training period of two days would be arranged by us and the expenditure be met from the scheme fund. However, the travel expenses have to be met by the respective organizations.

Expecting an early response from your organization.

Yours sincerely,
