B. Model / National/ State level training Programmes

Training Programme	Duration	Scheme under which organized	Participants' Profile
A state level training programme on 'Sugarcane Production Technologies'	March 24-25, 2012		
A state level training programme on 'Sugarcane Production Technologies'	March 1-5, 2012		
A state level training programme on 'Sugarcane Production Technologies'	Dec 8-9, 2011		
A three months course on 'Sugarcane production technology'	June 22-Sep 21 2011	A new venture by this Institute in organizing long term training programme on Sugarcane Production Technology and sponsored by concerned sugar factory	19 newly recruited officials of EID Parry Ltd
A state level training programme on 'Sugarcane Production Technologies'	Oct 10-14, 2011	Sponsored by Department of Agriculture, Bihar	18 state government officials from the State department of Agriculture, Patna, Bihar state
State Level training programme on 'Sugarcane Production Technologies'	Feb 14-18, 2011	Under Macro Management Mode scheme in collaboration with DAC/ Gol	20 Officers from State Dept. of Agriculture, Govt. of Orissa
State Level training programme on 'Recent Advances in Sugarcane Production Technology'	January 31- Feb 4, 2011	Under Macro Management Mode scheme in collaboration with DAC/ Gol	20 Officers from State Dept. of Agriculture, Govt. of Orissa
Model Training Course on "Scientific crop management practices for increased sugarcane productivity"	August 24-31, 2010	Sponsored by Dept. of Agri. and Coop, Ministry of Agriculture, Gol	16 officials from 10 states participated in the programme.
State level training programme on "Sugarcane Crop Management Technologies"	July 24-31, 2010	Under Macro Management Mode scheme in collaboration with DAC/ Gol	State Govt. officials from Uttar Pradesh, Lucknow
National Level Seminar on "Sugarcane Production Technology"	July 15-16, 2009	National Federation of Cooperative Sugar Factories, New Delhi	60 cane development personnel from sugar factories of India
Model Training Course on "Technologies to improve sugarcane productivity"	July 22-29, 2009	Sponsored by Dept. of Agri. and Coop, Ministry of Agriculture, Gol	19 participants from Chattisgarh, Haryana, Karnataka, Tamilnadu, Kerala and Orissa

Training Programme	Duration	Scheme under which organized	Participants' Profile
National level Training Programme on Sugarcane cultivation in biotic and abiotic stress conditions	Feb. 3-5, 2009	Macro Management Mode scheme in collaboration with DAC / Gol	
National Level Training on Use of appropriate varieties for increasing sugar recovery	Feb. 17-19, 2009	Macro Management Mode scheme in collaboration with DAC / Gol	
National Level Training on Drought management in sugarcane	Feb. 24-26, 2009	Macro Management Mode scheme in collaboration with DAC / Gol	
National Level Training programme on "Low cost production technologies in sugarcane for sustaining productivity"	March 12-14, 2008	Macro Management Mode scheme in collaboration with DAC / Gol	Tamilnadu-5; Karnataka-1; Gujarat-4; Kerala-1; Andhra Pradesh-1
National Level Training programme on "Intercropping with sugarcane"	March 5-7, 2008	Macro Management Mode scheme in collaboration with DAC / Gol	Tamilnadu - 12, Karnataka -1
National Level Training programme on Sugarcane cultivation in biotic and abiotic stress conditions	Feb. 20-22, 2008	Macro Management Mode scheme in collaboration with DAC / Gol	Eleven participants (Kerala -1, TamilNadu -7, Gujarat- 1, Orissa- 2)
National Level Training programme on "Integrated nutrient management including bio-fertilizers in sugarcane	Feb. 13-15, 2008	Macro Management Mode scheme in collaboration with DAC / Gol	Eleven participants (Gujarat -3, Tamil Nadu - 7, Karnataka- 1)
National Level Training programme on "Ratoon management in sugarcane "	Feb 6-8, 2008	Macro Management Mode scheme in collaboration with DAC / Gol	Fourteen participants (Andhra Pradesh-1, TamilNadu -6, Karnataka-6, Gujarat- 1)
National Level Training Programme on Drought Management in Sugarcane sponsored by MoA/Gol	January 23-25, 2008	Macro Management Mode scheme in collaboration with DAC / Gol	Sixteen participants (TamilNadu -13, Karnataka- 1, Orissa- 2)
National Level Training programmes on Use of appropriate varieties for improving sugar recovery	Dec 18-20, 2007	Macro Management Mode scheme in collaboration with DAC / Gol	Twenty participants (Tamil Nadu - 8, Gujarat- 2, Karnataka- 4, Kerala- 2, orissa - 2, Maharashtra-1, Puducherry-1)
National Level Training programmes, on Woolly aphid management in sugarcane	Dec 12-14, 2007	Macro Management Mode scheme in collaboration with DAC / Gol	Fourteen participants (Maharashtra -2, TamilNadu -7, Karnataka-3, Orissa- 2)

Training Programme	Duration	Scheme under which organized	Participants' Profile
Recent Advances in Sugarcane Production Technologies	July 18-25, 2007		11 participants deputed by State Departments of Agriculture from Madhya Pradesh, Gujarat, Orissa, Karnataka, Tamilnadu and Kerala
National Training Programme on DUS testing in Sugarcane	Feb. 21-24, 2006	DUS	Sugarcane Germplasm management personnel
National Level Training Programme on Integrated Nutrient Management in Sugarcane	October 4-26, 2005	Macro Management Mode scheme in collaboration with DAC / GoI	Cane development personnel belonging to various tropical states
National Level Training Programmes on Sugarcane Production Technology under Macro Management Mode scheme in collaboration with DAC/ GoI		Under Macro Management Mode scheme in collaboration with DAC/ GoI	Cane development personnel (76 Nos.) belonging to various tropical states of India.
Ratoon management in sugarcane Drought management in sugarcane Biocontrol of insect pests and diseases in sugarcane	Sep 13-15, 2005 Sept. 20-22, 2005 Sept. 27-29, 2005		
National Level Training Programme on "Woolly aphid management in Sugarcane"	Aug. 23-25, 2005.	Under Macro Management Mode programme of MoA	20 cane development personnel belonging to various tropical states of India attended the programme
Training on 'micropropagation of sugarcane' (Dr. D. Neela-mathi)	15 days	Arranged by the Institute	Deputy manager from TNPL & One literate farmer from Velangi, Andhra Pradesh
'Biofertilizers for sugarcane'	July 17, 2003	Under the NATP scheme 'Technology Assessment and refinement through IVLP'	Selected farmers of Coimbatore district, Tamil Nadu
